Mr. Kenneth Kinchen
University, Miss.

Dear Kenneth:

The statement you made to the Mississippian concerning segregation displays your keen insight and clear thinking on the subject.

Needless to say, I was very much disappointed to learn that 18.7 per cent of our University students mistakenly favor integration. Part of this group so expressed themselves because of a defeatist attitude...they have accepted the gross usurpation of power by nine politically appointed left-wing tools of the Communist Party. The majority of those, though, who favor integration do so because of a mistaken idea of God's Will.

The Bible is the greatest testament on the right of segregation. You should have arrangements made to invite Dr. Nelson, President of Mississippi College (our State Baptist College) and/or Dr. Gillespie, distinguished retired president of Belhaven College speak before your student body and fully explain God's Will in this matter.

I would strongly suggest that you contact Mr. Robert Patterson at Winona and establish a chapter of the Citizens Council on the campus.

Very truly yours,

Chas. Wilkinson, Jr.
